Enriching Opportunities: focusing on providing experiences and opportunities for foster children while promoting healthy relationships with adults. The opportunities range from dance & music lessons to golf and swimming classes to equine therapy and exploring nature. Best practice & evidence-based research confirms these activities improve mental health, as well as improve a student's school attendance, behavior and course completion. They offer youth a chance to meet new friends, coaches, and mentors. Foster youth themselves suggest that activities of all kinds help them deal with sadness and loneliness. In 2023, Cobbled Streets provided group and individual activities for 2,033 kids providing over 9,500 hours of activities. This also provides foster parents with some respite.

4b (Code:) (Expenses \$ **33,255** including grants of\$) (Revenue \$)

Cobbled Streets also provides assistance to foster children who age out of the system and have no support or resources to draw upon. We help with furnishing first apartments and buying winter clothes or work clothes. We also help foster families, especially kinship families pay for things like converting their garage into an additional bedroom to take in more foster kids; getting back to school supplies; paying for gas to help transport kids to school, camp, after school activities; or even pay for groceries.

4c (Code:) (Expenses \$ **98,542** including grants of\$) (Revenue \$)

The Ambassador Program was launched in 2022. Cobbled Streets has partnered with Foster Source to identify "Ambassadors" in each of the 23 Judicial Districts of Colorado. These Ambassadors are generally current or past foster parents. They are paid a stipend of \$500/month to identify and connect with the foster families in their district, to create a sense of community among the families, bringing them together to help support each other. As of the end of 2023, we had 8 Ambassadors in 7 Judicial Districts and served an an average of 15 families (23 kids) per district per month.

Form 990, Part III, Line 4d - All Other Accomplishments

Database of resources for foster families and foster youth. In partnership with Just as Special, a comprehensive foster care database has been created of Colorado resources. The database allows organizations to create more effective partnerships, recruit volunteers, mobilize the community to better serve kids, and reduces duplicative and inefficient efforts. The database is live and can be accessed at www.justasspecial.com.

The ReSchool Project helps foster families finance afterschool activities.

In addition, we also advocate for general systemic reform, meeting with stakeholders and law makers within the foster care systems to educate them on the value of keeping children stable in a home and how enriching experiences helps stabilize the child and the foster family as a whole.

Form 990, Part VI, Line 15a - Compensation Process for Top Official

In conjunction with the annual budget approval process, the Board conducts a performance review of the Executive Director. The Executive Director is not present during the evaluation, discussion, and approval of her compensation package. The Treasurer researches salary ranges of Executive Directors in similar organizations and with similar experience, and presents that information to the Board. The Board documents their approval of the compensation for the coming year, and notes any reason for fluctuations from the norm.

Capitalized Film Costs: Starting in 2020, the Organization began the development and production of a documentary film and associated video about the challenges faced by foster children. The project is anticipated to be completed in 2024 or 2025.

Upon completion and release of the film, the Organization will begin to amortize the capitalized costs. Management currently anticipates amortizing the costs over a life of five years, representing the estimated useful life of the finished video and documentary.
